Empowering the Underprivileged

AUGUST 2024

Y4D Foundation is a non-profit organization based on the idea of empowering the underprivileged. We aim to bring societal change through our interventions in areas of education, livelihood, healthcare, & environment. With an ambition to enable equal opportunities for all, Y4D undertakes numerous initiatives which are supported by our corporate partners and other stakeholders.

EDUCATION

Launch of Women Empowerment Program in Maharashtra

In August 2024, Y4D Foundation in collaboration with Hindustan Coca-Cola Beverages (HCCB) proudly launched its flagship CSR initiative, the Women Empowerment Program, titled "Financial and Digital Literacy Training Program for Women", held at H.V. Patil Mahavidyalay in Chinchghar Village, Wada Block, Palghar District, Maharashtra, this program is dedicated to uplifting women in rural areas. By focusing on digital and financial literacy, we aim to equip these women with essential skills, fostering growth and empowerment within their communities. The inauguration program was graced with the presence of government officials and local communities.

Transforming Education: Inauguration of Multiple Smart Classrooms

In a significant step towards transforming education, Y4D Foundation in collaboration with Hindustan Coca-Cola Beverages (HCCB), has inaugurated Smart Classrooms at three locations: H.V. Patil Mahavidyalay in Chinchghar Village, Wada, Maharashtra; Sulebavi High School in Belgaum District, Karnataka; and Keshav Smruti Higher Secondary School in Dabolim, Goa.

This initiative is a significant step toward improving learning in government schools by introducing modern technology. It helps provide equal access to quality education, makes lessons more interesting with interactive tools, supports teachers with better resources, and prepares students with important digital skills for the future.

State-of-the-Art Digital Labs in Maharashtra and Gujarat

Y4D Foundation, in collaboration with Smiling Rocks, has inaugurated its two new digital labs - one at ZP Primary School in Jogaldari, Washim District, Maharashtra, and the other at Shri M M Desai Sarvajanic High School, Vankal, Gujarat. The inauguration, graced by the school committee, esteemed guests from Smiling Rocks, and other dignitaries, marks a significant step forward in our mission to empower rural India.

The goal is to equip every student with cutting-edge technology, preparing them for a digital future. These digital labs are a vital part of our mission to enhance education through technology, providing students with essential 21st-century skills and nurturing their academic and professional dreams. These Digital labs don't just help students but they empower teachers too!
