

DECEMBER 2023

Y4D is a youth-led futuristic organization committed to empowering the economically underprivileged by empowering them through encouragement, education, and employment. Y4D strives to encourage individuals to reach their full potential, lead happy, healthy lives with dignity and make them capable of making meaningful contributions to society. Y4D is shaping up a sustainable society for future generations by instilling futuristic ideals into our practices.

EDUCATION

Empower Visually Impaired Girls!

Y4D Foundation and Billennium India Pvt. Ltd. joined forces with the shared goal of making a positive impact, contributing essential items to support a school for visually impaired girls.

LIVELIHOOD

MoU Signing for Skill Development

Y4D Foundation and Sun Pharma formalized a Memorandum of Understanding (MoU) to collaborate on a significant initiative aimed at providing training opportunities in the fields of Electronics and Automotive within the Ahmednagar District. Under this agreement, the two entities have committed to jointly undertake the training of 50 candidates, equipping them with skills and knowledge in these specific domains. This strategic partnership reflects a shared commitment to fostering skill development and empowerment within the local community, contributing to the socio-economic growth of the Ahmednagar District.

Launched Multiple Development Program in Andhra Pradesh

In Shrikalahasti, Andhra Pradesh, a recent inauguration marked the commencement of Sales and Marketing Training for Youth, Financial and Digital Literacy Training for Women, and Cluster Development Initiatives through a collaborative effort with Hindustan Coca-Cola Beverages Pvt. Ltd (HCCB). The key project focus areas include:

- 1. Women Empowerment:** The initiative seeks to empower over 2000 women across 40 villages by providing digital and financial literacy training.
- 2. Youth Skill Building:** The project aims to empower more than 2000 young individuals in 50 colleges through comprehensive sales and marketing training.
- 3. Cluster Development:** Supporting farmers by providing machinery, enhancing health and cleanliness practices, implementing water purification systems, and delivering training programs for farmers.

ENVIRONMENT

Miyawaki Forest Development

RPG Foundation and Y4D Foundation have joined hands to embark on an environmental initiative in Pune, involving the plantation of 3306 saplings using the Miyawaki technique. This collaborative effort underscores the significance of sustainable and eco-friendly practices in urban development. The Miyawaki technique, pioneered by Japanese botanist Akira Miyawaki, focuses on planting a diverse mix of native species in a dense manner to accelerate the growth of a forest ecosystem. This initiative not only contributes to the overall green cover in Pune but also promotes biodiversity, enhances air quality, and fosters a more resilient and sustainable urban environment for the benefit of the local community and future generations.

Y4D Foundation in collaboration with Andreas STIHL India to organized free health check-up camps at Gurgaon. Together, we organize an impactful free health screening mega camp on December 22nd and 23rd, 2023, at two rural locations in Gurgaon, Haryana, underscoring our collective commitment to prioritizing health and well-being in our cherished community. The comprehensive health camp provided a range of essential services, including dental check-ups, blood tests, eye check-ups, general health examinations, and the distribution of medicines to those in need. The camp's overwhelming success was evident, with 400+ beneficiaries receiving crucial care and assistance.

Transformative Health Camps: Fostering Well-being in Nagpur

Maharashtra State Electricity Transmission Company Limited (MahaTransco) in partnership with Y4D Foundation has undertaken a commendable initiative by organizing health camps in the Nagpur and Vashi zones. In a total of 33 health camps is actively contributing to creating a positive impact in underprivileged communities. These health camps play a crucial role in addressing healthcare needs among the less privileged, offering services such as eye check-ups, haemoglobin, blood pressure, cold and cough, fever, skin disorders, and so on, for which they were instructed, guided and received free medicines. By extending our support to the underprivileged society through these initiatives, we demonstrates our commitment to the well-being of the communities we serves. The comprehensive approach of these health camps not only addresses immediate healthcare concerns but also fosters a sense of health awareness and empowerment within the targeted communities in Nagpur and Vashi zones.

Distributes 20,000 Kgs of dry ration kits towards Chennai flood

Hindustan Coca-Cola Beverages Private Limited (HCCB) in partnership with Y4D Foundation has distributed 20,000 Kgs of dry ration kits in Tiruvallur district, as part of its flood relief initiative following Cyclone Michaung. The initiative has been instrumental in aiding the communities affected by the cyclone in the region.

In the wake of the devastating floods, which uprooted lives and hindered access to basic necessities, Hindustan Coca-Cola Beverages (HCCB) stepped in to provide tangible support. Recognizing the urgent need, HCCB distributed dry ration to help the affected community cope with the aftermath. The dry ration kits included a range of essential items such as rice, pulses, cooking oil, salt, sugar, and other non-perishable food items.

IMPACT STORY OF THE MONTH

Surekha's Financial Journey: Empowering Independence through Knowledge

Surekha, a woman in her early thirties, from Pulliyanthope Village, Nemam, and Tamil Nadu embarked on a transformative journey when she attended HCCB's and Y4D foundation's financial and digital literacy training in the 13th batch on the 15th of December. Little did she know that this experience would revolutionize her approach to banking and digital transactions.

The Awakening: At the outset, Surekha possessed limited knowledge about banking and digital transactions. However, as the training unfolded, she grasped the significance of having a bank account and the convenience offered by net banking.

Embracing Independence: Empowered by this newfound knowledge, Surekha not only embraced the concept of financial independence but also took the initiative to explore the world of UPI for seamless transactions.

Mastering UPI: Intrigued by its simplicity and efficiency in managing daily financial activities, she sought guidance during a One-on-One Session with Facilitators (R Surjith and Raj Kumari). During this session, they not only explained the intricacies of UPI but also assisted Surekha in opening her first UPI ID on her mobile. They guided her through the process of transferring and receiving money, making her realize the time-saving, convenient, and secure nature of this mode of transaction.

Venturing into Investments: As the training progressed, Surekha's journey extended beyond basic banking knowledge to understanding various investment and savings schemes.

Government Support: Motivated by the potential for financial growth, she actively explored investment options aligned with her goals. Additionally, she became acquainted with government schemes designed to support individuals like her in their financial endeavors.

Navigating the Financial Landscape: Armed with knowledge, Surekha absorbed the dos and don'ts of banking, ensuring she could navigate the financial landscape with confidence.

Transformation Unleashed: Her story serves as a testament to the transformative power of financial and digital literacy, illustrating how it empowered a woman to take control of her financial future.

In order to make a positive social impact on the lives of our fellow citizens and jointly contribute to the UN SDGs, **Y4D Foundation looks forward to establishing effective CSR partnerships** in the thematic areas of Education, Skill Training, and Environment Sustainability & Health.
